

CONTRIBUTIONS TO HOSPICE NEAR \$500,000

Contributions were raised through sponsorships, ticket sales, a raffle, an auction, and donations. Hospice will use the money to fund indigent care programs and the Reflections Program for Children.

In just four years, the *North State Bank Summer Salute for Hospice of Wake County* has raised nearly one half million dollars. “We are thrilled to provide Hospice this level of support to enable them to meet the needs of so many in our community,” commented Larry Barbour, president and CEO of North State Bank.

This year’s event was held at North Ridge Country Club on Saturday, June 2. The Embers drew many to the dance floor, while others strolled through our memory garden, posed for a souvenir photo, or enjoyed time on the boardwalk. We had a great time!

SUMMER SALUTE SOUND-OFF

“This has been one of the most gratifying projects to be involved with – it’s so much fun! The committee is generous with their time and talents, and we have kept costs low so the net contribution to Hospice is high. I’m proud of that and the fact that this can be North State’s signature contribution to the community. People are happy to attend the event, there is plenty to entertain them, and they feel good about the cause.”

The Honorable Jeanette Hyde
Summer Salute Planning Committee Co-Chair
Former U. S. Ambassador and Member of the
North State Bancorp Board of Directors

“Our Board and staff greatly appreciate North State Bank and the Summer Salute committee for their dedication and hard work. The event has been successful for four straight years and the money raised has increased our capacity to serve — we have doubled the number of patients we serve each year.”

John Thoma
CEO, Hospice of Wake County
